The Aesthetic Surgery Center is proud to welcome Cheryl Murphy, R.N., as the 4th member of our nursing Dream Team!

Cheryl Murphy is a licensed registered nurse with 19 years of nursing experience. Cheryl first discovered that nursing would be both her profession and her passion during six years of service as a medical corpsman in the active and reserve armed forces. After completing an Associate's of Arts Degree at Santa Fe Community College in Gainesville, Florida, she proceeded to earn her Associate's Degree in Nursing at Central Florida Community College in Ocala, Florida, which led to her designation as a registered nurse.

In 1996, Cheryl returned to her hometown of Naples, Florida, where her nursing career has included positions as an operating room nurse, intensive care nurse, nursing supervisor, and practice administrator. In December 2015, she will complete advanced nursing studies at Southwestern Florida State College leading to the award of a Bachelor's Degree in Nursing.

Cheryl spent much of her childhood on the softball field in Naples prominent youth programs, and she continues to play in competitive and recreational softball leagues. She has also been an avid jogger since middle school, and enjoys watching her son compete in cross country

meets. Her three energetic Labrador Retrievers often insist she get some steps in with them, too.

At the Aesthetic Surgery Center, we are proud to have Cheryl join our three outstanding nurses (Leslie, Angela, and Andrea). Our nurses provide compassionate, skilled nursing care to our patients and are second to none.

Are you a candidate for a rhinoplasty?

If there's one surgery people most commonly think of when they hear the phrase "facial plastic surgery," it's rhinoplasty (nosejob). Whether it's performed for purely cosmetic reasons or to correct a cosmetic and a functional issue, rhinoplasty remains one of the most frequently performed surgeries.

To learn more about how rhinoplasty surgery could benefit you, contact the Aesthetic Surgery Center to book an appointment with Dr. Anurag Agarwal, Dr. Richard Maloney, or Dr. Kiranjeet Gill, one of our plastic surgeons. They have been featured on many of the major news networks, including ABC, NBC, and FOX, as recognized experts on a variety of plastic surgery topics. Dr. Agarwal, Dr. Maloney, and Dr. Gill believe that educating and communicating with their patients are the keys to helping them achieve successful, natural-looking results. Book your appointment at the Aesthetic Surgery Center, located at 11181 Health Park Boulevard #1115 in Naples, FL, by calling (239) 594-9100.

Signature Skin™ - Breakthrough Scientific Skin Care!

Dr. Richard Maloney has been developing therapeutic skincare products for 30 years. Signature Skin™ products use the most advanced scientific concepts today to restore and maintain healthy and beautiful skin.

Signature Skin™ Care is for women and men of all ages who wish to incorporate a therapeutic daily skin care program into their anti-aging lifestyle. Dr. Maloney's philosophy is "if skin care is not therapeutic, why use it?"

As we age, sun exposure, lifestyle choices, stress and pollution combine with our genetic architecture to "brown out" the skin's cellular function. The thousands of biochemical processes within our skin begin to fail. Signature Skin™ uses Selective Receptor Modulators (SRM)'s to restore and boost the skin's healthy bio-environment and youthful vitality.

Signature Skin™ products are compatible with Retin-A and retinols. They are non irritating, fragrance free, non comogenic, non allergenic, not tested on animals, paraben free and time released to be compatible with all skin types. The complete line of products are available at The Aesthetic Surgery Center.
